This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the Office of Regulatory Staff (ORS) to hold over Commission consideration of the Application of Call A Cab, LLC for a Class C Certificate of Public Convenience and Necessity. ORS states a belief that there are additional questions which should be addressed before this matter is decided by the Commission, and that a holdover period not to exceed fourteen (14) days would allow time to ensure that the company meets the requirements of the Commission's rules and regulations.

We grant the request. ORS shall have fourteen (14) days from receipt of this Order to investigate the Application of Call A Cab, LLC. At the completion of its investigation, the Office of Regulatory Staff shall make recommendations to the Commission for disposition of the Application.
